

# 2019 BLUE CROSS VISION PREMIER ENHANCED EYEWEAR PLAN — OPTION 1

## SMALL EMPLOYERS (2 – 50)

Save more on eyewear and get the flexibility of a large national network.

### PAY LESS FOR THE LOOK YOU WANT

Get discounts on fashionable eyewear and contact lenses when you choose an eye care professional or vision retailer in your plan network.

You can choose from some of today's most popular frames — including designer frames. You can also add features like anti-scratch and anti-reflective coatings for just a small copay.

#### Visionworks

When you choose Visionworks, you'll have access to one of the nation's largest vision retailers. Plus, you'll save even more on eyeglass frames than with other retailers in the network. See the benefit chart on back for details.

#### Davis Vision Exclusive Collection of Frames

Available at nearly 9,000 private practice locations, the Exclusive Collection is an assortment of on-trend frames with retail values up to \$195. Available exclusively for members for no more than \$25 out of pocket and often for no cost at all.

#### No-cost replacement glasses

Accidents happen. That's why Blue Cross offers a one-year warranty on all Exclusive Collection frames and those purchased at national retailers who are in the network. If you break your glasses within the first year, you get a replacement at no cost.
