

2019 BLUE CROSS VISION VALUE STANDARD PLAN – OPTION 2

SMALL EMPLOYERS (2 – 50)

A Blue Cross Vision plan promotes good health and makes it easier for the whole family to get proper eye care at low or no cost to you.

Your employer is offering a Blue Cross Vision plan to help you care for your eyes and protect your health. The plan offers many ways to save and gives you lots of choice in providers and eyewear. Be sure to sign up for this important health benefit.

SAVE ON EYE CARE AND EYEWEAR

Your Blue Cross Vision plan gives you more ways to save on eye care — from exams to eyewear.

- **Eye exams** The plan pays 100 percent of your routine eye exam after you pay a small copay when you see a vision provider in the Davis Vision network.
- **Eyeglasses and contact lenses** You'll receive discounts on eyeglasses and contact lenses at both private practice providers and top optical retailers who are in the network.

Choices that deliver the greatest savings:

- **Davis Vision Exclusive Collection of Frames**

The plan covers most or all of the cost of eyeglasses when you choose from the Davis Vision Exclusive Collection of Frames available at a private practice provider. Your Exclusive Collection frames come with a full one-year breakage warranty at no additional cost.

- **Visionworks** When you choose Visionworks, you'll have access to one of the nation's largest vision retailers. Plus, you'll save even more on eyeglass frames than with other retailers in the network. See the benefit chart on back for details.

ENJOY MORE CHOICE

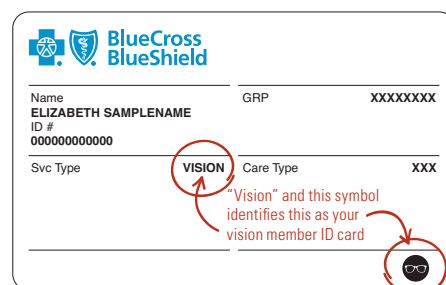

Your Blue Cross Vision plan gives you lots of choice, so you can find the eye care and eyewear that's right for you.

- **Providers** See an eye care professional at top retail locations, including Visionworks, Sam's Club, Costco or Walmart. Or choose an eye care professional in a private practice. Optometrist or ophthalmologist. The choice is yours. See a complete list of providers in our large national network at bluecrossmn.com/findaneyedoctor.

- **Eyewear and features** Select from some of the most fashionable and popular frames available, including designer frames. For a small copay, you can also add features like scratch protection or anti-reflective coating.

YOUR NEW MEMBER ID CARD

When you've enrolled in a Blue Cross Vision plan, you'll be sent your new Blue Cross Vision member ID card. If you also have a Blue Cross medical plan, you will have an ID card for your vision plan and a separate ID card for your medical plan.
