Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Services

Coverage Period: Beginning on or after 1/1/2020 Coverage for: Single and family | Plan Type: HSA

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>www.bluecrossmnonline.com</u> or call 1-855-379-2583. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary or call 1-855-379-2583 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$3,750/single medical and drug Network \$7,500/family medical and drug Network \$10,000/single medical and drug Out-of-Network \$20,000/family medical and drug Out-of-Network	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. This <u>plan</u> has a non-embedded <u>deductible</u> . If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay. The single <u>deductible</u> applies to single coverage only.
Are there services covered before you meet your deductible?	Yes. Well-child care, prenatal care and Network Preventive care services are covered before you meet your deductible .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	\$3,750/single medical and drug Network \$7,500/family medical and drug Network \$30,000/single medical and drug Out-of-Network \$60,000/family medical and drug Out-of-Network	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. This <u>plan</u> has a non-embedded <u>out-of-pocket limit</u> . If you have other family members on this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met. The single <u>out-of-pocket limit</u> applies to single coverage only.
What is not included in the <u>out-of-pocket limit?</u>	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Will you pay less if you use a <u>network provider</u> ?	Yes. See www.bluecrossmnonline.com/find-a-doctor/#/home or call 1-855-379-2583 for a list of network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
